

## DISTRICT ONE ALTRUSA INTERNATIONAL, INC.

### ASTRA CLUB SERVICE AWARD

The ASTRA Club Service Award recognizes an ASTRA Club for an outstanding service project conducted in its community and/or school. The 2008 award will be given in recognition of a service project conducted from March 1, 2007 – March 1, 2008. Entries must be submitted to the District One ASTRA Co-Chairs by March 31, 2008.

*A neutral panel of three (3) judges will evaluate the entries.*

#### GUIDELINES FOR ENTRIES

Entries may consist of a brief written report, scrapbook, newspaper clippings, photographs – all material that describes the service project being submitted for the award. All entries will be returned to the sender after the judging is complete.

The service project should benefit either the community or the school of the ASTRA Club. On-going projects (projects that are conducted annually) are eligible for submission.

When describing the service project, please be sure to do the following:

- Include the ASTRA Club's name and the name of the sponsoring Altrusa Club.
- Give a brief description of the project, the reasons for choosing the project, and the goals of the project.
- If fundraising was necessary, describe the technique and how much money was raised.
- Summarize the project's results – who was impacted and how, the short-term and long-term consequences of the project, and any facts that exhibit the importance of the project.
- Include supporting materials: newspaper articles about the project, photographs, letters from school administrators, and letters from those who benefited. (These items are not required. Projects will be judged on their merits and results.)

#### AWARD AND AWARD PRESENTATION

District One Altrusa International, Inc. will present a \$50.00 contribution and a certificate to the First Place winner of the 2007 ASTRA Club Service Award, and the presentation will be made at the District One Spring Conference.

#### SUBMIT ENTRIES TO:

**Monica Bennett and Katt Stewart, ASTRA Co-Chairs**  
25 Cataldo Road
